

EXHIBIT A.1074

From an op-ed by Adli Sadeq, currently (2014) the PA ambassador to India:

"The Martyrdom seekers of today are the finest successors of the finest predecessors. They are the sons of Muhammad Hussein, Al-Qassam, Ata Al-Zir, Fuad Hijazi, Muhammad Jamjoum (i.e., all killed by the British during the British Mandate) and the rest of our earliest Jihad fighters. They are the brothers of the Lebanese Martyrdom seekers, who taught the American marines a harsh lesson (i.e., suicide bombing in which 241 American servicemen were killed), and then raised the price for the Israeli aggression [that is being paid] with lives..."

These Martyrdom seekers are the salt of the earth and the engines of history. They are the strict teacher, who is capable of opening the locks of racist minds and their strong latches, and they are more honorable than us all."
